INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Summits Education, Inc.:

We have audited the accompanying financial statements of Summits Education, Inc. (a non-profit Organization) (the Organization), which comprise the statement of financial position as of July 31, 2017, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Summits Education, Inc. as of July 31, 2017, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

SUMMITS EDUCATION, INC.
NOTES TO THE FINANCIAL STATEMENTS
Year Ended July 31, 2017

1. Nature of Operations

Summits Education, Inc. (the Organization) is a not-for-profit organization whose mission is to deliver high quality education to the people of rural Haiti. The Organization looks to maximize the impact and address key challenges of the communities it serves by investing in teachers and administrators by providing competitive wages, intensive trainings and professional support and assembles partners to address the additional obstacles to student learning within Haiti's education system.

2. Summary of Significant Accounting Policies

This summary of significant accounting policies is presented to assist the reader in understanding the Organization's financial statements. The financial statements and notes are representations of the Organization's management, who is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Financial Statement Presentation

The Organization prepares its financial statements on the accrual basis of accounting and, in accordance with authoritative guidance, reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

The Organization had no permanently restricted net assets as of and for the year ended July 31, 2017.

Cash and Cash Equivalents

The Organization considers all cash balances and highly liquid investments with maturities of three months or less to be cash equivalents.

Support and Revenue Recognition

Contributions and Grant Income - The Organization recognizes contributions and grant income in the fiscal year in which the contribution or grant is made. Contributions and grant income are recorded as unrestricted, temporarily restricted, or permanently restricted, depending on the existence and/or nature of any donor imposed restrictions.

Interest Income - The Organization recognizes interest income in the period earned.

SUMMITS EDUCATION, INC.
NOTES TO THE FINANCIAL STATEMENTS
Year Ended July 31, 2017

Allocation of Expenses

Certain costs of the Organization benefit more than one program and/or support service. Accordingly, these costs are allocated in a systematic and rational manner among the programs benefited.

Income Taxes

The Organization is exempt from income taxes as a public charity under Section 501(c)(3) of the Internal Revenue Code. Management believes that the Organization operates in a manner consistent with their tax-exempt status at both the state and federal levels.

The Organization annually files IRS Form 990 - *Return of Organization Exempt From Income Tax*, reporting various information that the IRS uses to monitor the activities of tax-exempt entities. These tax returns are subject to review by the taxing authorities, generally for a period of three years after they were filed. The Organization currently has no tax examinations in progress.

Estimates and Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Recent Accounting Pronouncements

In August 2016, the FASB issued ASU 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*. The standard is intended to simplify and improve how a not-for-profit organization classifies its net assets, as well as the information it presents in the financial statements and notes about its liquidity, financial performance, and cash flows. Upon adoption net assets will be reduced to two classes (with and without donor restriction). The standard is effective for annual periods beginning after December 15, 2017, with early adoption permitted and will be applied retrospectively to all periods presented upon adoption. This standard will be effective for the Organization's year ending July 31, 2019, with early adoption permitted. The Organization is currently in the process of evaluating the impact of adoption on the financial statements.

Subsequent Events

Management of the Organization has evaluated subsequent events through August 7, 2018, which is the date these financial statements were available to be issued.

SUMMITS EDUCATION, INC.
NOTES TO THE FINANCIAL STATEMENTS
Year Ended July 31, 2017

3. Equipment

Equipment consisted of the following:

Equipment	\$ 3,671
Less accumulated depreciation	<u>(872)</u>
Total	<u><u>\$ 2,799</u></u>

4. Temporarily Restricted Net Assets

Temporarily restricted net assets consisted of the following:

Children program	\$ 613,865
Multi-purpose facility	342,500
School project	<u>35,729</u>
Total	<u><u>\$ 992,094</u></u>

5. Concentrations

The financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of cash and cash equivalents.

The Organization maintains its cash and cash equivalents in one financial institution insured by the Federal Deposit Insurance Company up to specified limits. The account balances, at times, may exceed the federally insured limits, but management believes that the Organization is not exposed to any significant credit risk related to these accounts.

During the year ended July 31, 2017, the Organization received approximately \$2,656,000 (80% of total revenue and support) from two funding sources. The Organization received 31% of its revenue and support from its Board Chairman. At year end, management does not believe that significant business risk exists with respect to the continuation of this funding.
